

FISCAL NOTE

HB 3327 - SB 3343

March 27, 1998

SUMMARY OF BILL: Removes the prohibition against state and local governments owning and operating hot mix asphalt plants.

ESTIMATED FISCAL IMPACT:

State Expenditures - Net Impact / Not Significant / Permissive

Local Govt. Expenditures - Net Impact / Not Significant / Permissive

Assumes that the state or any local government choosing to own and operate a hot mix asphalt plant would only do so to the extent that it would be more cost effective than to purchase the asphalt from a private vendor. For this reason, the estimate assumes an increase in expenditures for the production of hot mix asphalt and avoidance of the cost of purchasing the asphalt from a private vendor.
